## The SMS implementation journey

Authority's point of view

Kirsi Lähteenmäki-Riistama, Finnish  
Transport and Communications  
Agency Traficom (CAA Finland)

# Aviation SMS years in brief

- 2006 ICAO Doc 9859 first edition SMS
- 2010 ICAO HLC
- 2013 Annex 19 1st edition
- 2012 EASA SMS requirements
- 2013 Training organisations SMS implementation
- 2014 AOC SMS implementation
- 2013 - 2014 Authority SMS Audits & Assessments started

# Compliance oversight to assessment of effectiveness

# What have we learned ?

- Change from compliance based audit towards assessment of SMS effectiveness requires new knowledge, skills and attitudes
- New window to organisation's operations and management
- Ten years work with SMS
  - Has SMS improved safety in aviation?
  - Are we doing right things and right way?
